- Renovations of the Arrowhead Park silt pond in partnership with the IDNR Fish Habitat Program to improve aquatic habitats
- The creation of a new conservation education partnership with New Tree School offering education & training programs to area residents
- The creation and installation of a historical education interpretive display at Old Town Park in Macedonia Iowa
- The establishment of 13.5 acres of native grasslands at the new Crescent Wildlife Area in Crescent Iowa

For additional projects & information please visit our website at [www.pottawattamieconservationfoundation.com](http://www.pottawattamieconservationfoundation.com)

As a 501(c) (3) Iowa non-profit corporation, it is vital for the Foundation to continue to receive generous donations from community corporations, families and individuals who wish to make a difference in environmental sustainability and education.
