Narrows River Park: KinderNature: Habitat Detectives

Council Bluffs, IA – Learn about the world that animals inhabit at Narrows River Park during KinderNature: Habitat Detectives on Saturday, October 28th from 10:00 to 11:00 a.m. Learn the parts that make up a habitat and the different things that animals need to survive as you explore Narrows River Park.

KinderNature programs are designed for children ages 3-5 years accompanied by an adult. These unique programs are full of hands-on learning and outdoor activities that encourage curious minds to explore and engage with the natural world. Each program will introduce children to a new and unique nature theme, and includes stories, crafts and outdoor exploration. Programs are held each month and last an hour. Cost: \$5.00 per child. No pre-registration required. For more information please call 712-545-3283. Weather permitting.
